

# CAVENDISH WEEKLY NEWLETTER

## 23rd January 2026

### Message from Headteacher

As we come to the end of another week together, we pause to reflect with gratitude on the many moments of joy and learning that have filled our school days. It has been a busy and exciting week, full of

opportunities for our children to grow, explore, and flourish.

Our Wrens and Owls classes have greatly enjoyed their visits to the community apple orchard, making the most of learning beyond the classroom and our local environment. Breakfast Club and our after-school provision continue to be lively and welcoming spaces, and it is a pleasure to see the children arriving and leaving school each day so happily.

We continue to be thankful for the progress our children are making across the school. A particular highlight remains our swimming lessons on Thursdays for Years 3 and 4. Each week the children return beaming with pride and confidence, and it is a joy to witness their growing resilience and determination.

Please do keep an eye on the dates in the school calendar, as we have some lovely community events to look forward to. We warmly invite you to our Mother's Day Tea on **Saturday 9th March at 2pm**. Tickets are available via Arbor, the school shop, and school products, and we would love you to join us for this special afternoon.

We are also delighted to be holding our first **Cavendish Community Quiz** on **Sunday 1st February**, with doors opening at **6:30pm for a 7:00pm start**. Families, mums' teams, dads' teams — all are very welcome, and our staff team is ready and waiting! Booking is available online via the link on our poster.

Thank you, as always, for your continued support and partnership. Together, we are nurturing a caring and hopeful community where every child is known and valued.

### A Big Thank You to Our Talented Community!

A massive thank you to our wonderfully creative school community. Mrs Martin's husband has made some fantastic new cushions for the foyer using our school uniform, and Archie's mum and dad have created a beautiful flower bed for our Peace Garden. What a truly talented and generous community we have!

## 23rd January 2026

### Celebration Assembly

This week's Celebration Assembly was full of smiles and achievements! Congratulations to all the pupils who were chosen — your hard work and positive attitudes are fantastic to see.

Although she wasn't in the photo, we'd also like to celebrate Brooke from Robins, who was our Author of the Week. Well done, Brooke!

### Exploring Our Local Orchard

Owls and Wrens visited the Cavendish Community Orchard this week, where they learned what an orchard is, what grows there, and how it helps to support our environment.
