

Robins Class Autumn 2 Mrs Pryce-Hall, Mrs Ward and Mrs Iverson		Trip - Christmas Panto	
Reading - We will continue to read 'The Queen's Nose', then move onto 'There's a Rang-Tang in my bedroom' which links to our Geography unit and writing focus of conservation and persuasive writing.	Writing - This half-term, we will focus on the skills needed for persuasive writing.	Maths - will continue with subtraction and addition methods, before moving on to multiplication and division, then followed by area and shape. 	
Our PE sessions will focus on gross motor skills. One session will be taught by Mrs Pryce-Hall and the other by the sports coach.	Spellings - We will begin a new programme for spellings, where we will use the Little Wandle programme 'Bridge to Spelling'.	PSHE - our unit will focus on <i>Health and well-being</i> , where we will work on strategies to help our mental and physical health.	Computing will focus on computer systems and networks, as well as creating animations in our media unit.
Science - We will begin our biology unit, focussing on plants. 	Geography - Our sessions will focus on answering the question 'Would you prefer to live in a hot or cold place?' where we will compare different habitats and regions in the world.		French - Our French unit will focus on 'On fait la fete' which covers naming the months of the year in French and to talk about hobbies.
Our RE sessions focus on the Big Question 'Do beliefs make any difference to someone's life?' and a Muslim - How does a Muslim show their <u>submission</u> and <u>obedience</u> to Allah?	In DT (Design Technology), we will explore different structures and will create our own fairground wheel! 	Music - Our sessions will be delivered by Mrs Bianchi, where we will continue to learn the skills for playing an instrument and reading music.	Art will focus on the skills needed to further develop our drawing ability.
