

Robins Class Summer	Outdoor learning Wednesday afternoons and PE Friday.		Farm visit Thursday 16th April
<p>Reading - Along with accessing our Little Wandle reading books, as a class, we will explore The rhythm of the rain by M,Baker Smith and Mrs Noah's pockets.</p>	<p>Our writing sessions this half-term will use the text 'Grandad's camper' and 'Flotsam'.</p>	<p>Maths coverage will include time, decimals, money, shape, position and direction, along with statistics.</p> 	
<p>Our PE session is on Friday and we have outdoor learning on Wednesday afternoons.</p>	<p>Spellings - We will continue to use the Little Wandle programme 'Bridge to Spelling', learning about the rules and strategies involved in spelling and not just rote learning how to spell a list of words.</p>	<p>Music - these sessions include regular playing of the school's instruments and reading sheet music!</p>	<p>Our Computing unit for this half-term includes exploring 'branching databases' and programming.</p>
<p>In Science, our focus turns to biology, studying the skeleton of humans and animals. This will lead into our visit to the museum of zoology in Cambridge on June 2nd.</p>	<p>Geography - We will focus on the questions linked to 'What are rivers and how are they used?'  History - 'How have children's lives changed?'</p>		<p>French - Our French learning will include the story Les quatre amis - the four friends.</p>
<p>RE - moves on to our second 'Big Question' - What beliefs drive people to make a difference in the world? Humanist - Why do Humanists use the golden rule as a basis for <u>morality</u>?</p>	<p>Design Technology - DT - follows the theme of 'Electrical systems" this half-term, where we will explore creating torches.</p>	<p>PSHE - We will discuss the concept of economical well being.</p>	<p>Art - We will focus on craft and design through the fabric of nature.</p>
