

Robins class  2026-2027 Mrs Pryce-Hall Mrs Bianchi Mrs Ward	<u>Maths</u> will include lots of practicing our counting skills and thinking about the composition of numbers. We will compare numbers, subitise objects & sounds and work on the five-ness of 5. Our older Robins will work on place value, within 20, along with strategies  for addition and subtraction.	Our <u>writing</u> inspiration will come from the texts, <i>Anansi the Spider</i> where we will become familiar with information texts and fact files. Following this, we will explore the same genre, but through the story of <i>Sidney, Stella and the Moon</i>.	In <u>reading</u> sessions, the children will access the Little Wandle reading books, as well as the opportunity to visit our school library and class reading area to enjoy some reading for pleasure. 
We have continuous provision for all of our children, throughout the day, along with enhanced provision and adult-led tasks.	 <u>Geography</u> this half-term will help us to learn about where we are in the world and allows us to research the different oceans and seas.	Our <u>Science</u> units this half-term focus on learning about <i>animals' needs for survival</i>, followed by investigating  <i>humans</i>.	In <u>Music</u>, we will explore the 'pulse, rhythm and pitch' of different pieces of music. 
<u>RE</u> Big Question 1 - Is it important to belong?  Christianity: Why is the word God so important to Christians along with why belonging to God and the church family is important to Christians.	Our PSHE unit will be My healthy self; How can we look after our emotions? 	Art has a focus on drawing and exploring line and shape formation. 	The main PE session for Robins will be on Thursdays, where the children will work on running and changing direction.
