Dear Prospective Staff Member,

Welcome to Cavendish Church of England Primary School.

We provide a culture and an environment in which innovative practitioners can flourish. Creativity and cross-curricular links are positively encouraged; and clear outcomes are evidenced through spiritual or academic progression.

Our aims are to support children in their development to ensure they engage in the world around them, are passionate about learning, have enquiring minds and develop the necessary skills to take them to the next stage in their lives. Ofsted recognised the effectiveness of this approach 'You set high expectations and provide a clear vision for the school. The inclusive ethos of your school is very evident.'

Our children are proud of their achievements, and respond well to a creative and personalised approach to learning. We offer a broad and balanced curriculum and all year groups participate in enrichment activities and Forest Schools. Behaviour is excellent and children are keen to be fully involved in the life of the school through our active Councils. We are supported by our governing body, PTFA and local community links.

Visits are warmly welcomed. Please telephone or email the school office to make an appointment. Alternatively, you may prefer to visit our website and telephone for an informal and honest conversation.

All applications are to be submitted by noon on 22<sup>nd</sup> April 2022

Interviews will take place on 29<sup>th</sup> April 2022. Unless requested otherwise, references will be taken prior to interview.

We would welcome a member of staff who can contribute their own specialisms and expertise to further improve experiences for children and the school team, and look forward to receiving your application by email or post.

Yours faithfully

Cheryl Wass  
Headteacher
