## 4<sup>th</sup> July 2025

### Message from Headteacher:

Dear Parents and Carers, what a week it has been!

Owls Class had a wonderful time at Wells Hall this week, taking part in their exciting Active Week activities. A big thank you to Mrs Pryce-Hall, Mrs Maddocks and Mrs Ward for accompanying the children and for all their hard work in organising the trip and liaising with Wells Hall to make it such a great experience.

The whole school also enjoyed an unforgettable visit to the outdoor swimming pool in Great Cornard – what a treat! It was such a joy to see the children having so much fun and making lovely memories together. Thank you to Mrs Clarke for organising this fantastic opportunity.

Next Friday, we are off on our much-anticipated whole school trip to the zoo! We're especially pleased that a friendly and familiar face will be joining us – Mrs Lewis will be volunteering on the trip, and I know the children will be

thrilled to see her again.

Looking ahead, Transition Day takes place next Tuesday. The children will spend the morning with their new teachers and begin to get to know some of their new classmates. It's always a special moment in the school year, and I can't wait to see the excitement as we look forward to the year ahead.

We're also very pleased to have launched our brand-new school Facebook page! It's a brilliant way to celebrate and share all the wonderful things happening at our school. Please do like and share the page – and if you're interested in becoming a parent ambassador to help spread the word about our school across local Facebook groups and beyond, we'd love to hear from you.

Thank you, as always, for your ongoing support.

### EYFS – Recycle & Reuse!

A special thank you to Miss Lockyear – who spent her sunny evenings painting cable drums to create a fairy toad stall and car track. What a wonderful addition to EYFS to help spark imaginative play
