Newsletter - Spring Term 2022

Friday 14th January 2022 No: 014

Challenge, Creativity, Compassion: Create a pure heart in me – Psalm 51:10

Prayer of the week by Maddison

*We thank you for the new year and for the wonderful things
we have been able to do and all the things that make us happy.
We thank for all the happy times we are able to spend with our families
Amen*

Headteacher Awards

Headteacher awards this week Mars - Rory Jupiter - Laurence Saturn- Tom Neptune - Myla

Contacting the School and School to Home Correspondence.

Please use admin@cavendish.suffolk.sch.uk email address for any correspondence between school, teachers and home. Using the teachers direct email address may result in a delay for any response as teachers do not always access their emails during the teaching day. Many thanks for your support with this.

Sometimes letters are sent out to a selective group of children and not to the entire school or class. If you think you have been missed from any mailings or information then please do contact the school office that will be happy to assist.

Cold Weather

As the winter months continue and the school still working with covid measures with window and doors open for ventilation, please make sure your child/ren have adequate layers to keep them warm during seated activities. For outside playtime gloves, hats and scarves are a great addition to keeping children warm in the cold weather.

Collective Worship Theme

This term the collective worship theme is trust, please see attached a sheet with lots of information and activities that can be done at home to help support this focus. We hope that you have fun exploring this value and can share together how important this value is. If you would prefer a hard copy please contact the office.

Challenge, Creativity, Compassion: Create a pure heart in me – Psalm 51:10

Forest School by Sienna

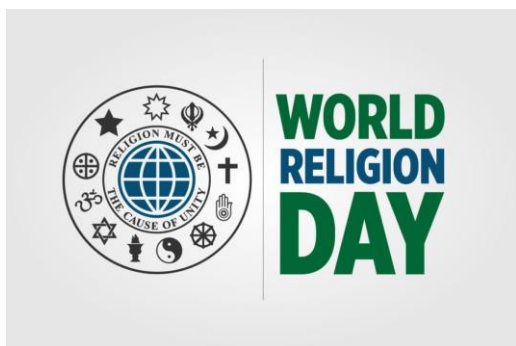

At forest school we all had lots of fun, we started in the gazebo and made some crosses from sticks and string. Then we were all given a piece of willow to make anything we wanted. I made a big den with my classmates at the end of the mini forest. At the end of forest school we found a sitting space where we listened to the nature around us, we then talked about the noises we heard.

Lost property

Please make sure that all children jumpers, coats, hats, scarves and gloves are named. This helps greatly with lost property and items finding their way back to their owner.

Swimming

The children really enjoyed the first catch up swimming session. Please be assured that if your child has not yet been invited to swim they will have their turn as the year progresses.

World Religious Day – Sunday 16th January

World Religion Day is celebrated every January on the third Sunday of the month. In 2022, that falls on the 16th of January. Its aim is to promote understanding and peace between all religions, encouraging people to learn about other faiths and their followers.

World Religion Day is celebrated in lots of ways. However, most people attend special services, which focus on respecting other religions, and reflecting on their universal message. That is, we should all treat each other with respect and understanding, so that we can create a better world for everyone.

New Isolation Guidance

From Monday 17 January, people with COVID-19 in England can end their self-isolation after 5 full days, as long as they test negative on day 5 and day 6 via rapid lateral flow tests.

- People self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative on both day 5 and day 6 and do not have a temperature
- Individuals who are still positive on their rapid lateral flow tests must stay in isolation until they have had 2 consecutive negative tests taken on separate days

It is essential that 2 negative rapid lateral flow tests are taken on consecutive days and reported before individuals return to their job or education, if leaving self-isolation earlier than the full 10-day period.

All test results should be reported to NHS Test and Trace.

Those who leave self-isolation on or after day 6 are strongly advised to wear face coverings and limit close contact with other people in crowded or poorly ventilated spaces, work from home if they can do so and minimise contact with anyone who is at higher risk of severe illness if infected with COVID-19.

For further information please refer to the Government Website: <https://www.gov.uk/government/news/self-isolation-for-those-with-covid-19-can-end-after-five-full-days-following-two-negative-lfd-tests>

Mars Class – . A castle has got flags with pictures and colours. - Ava

Jupiter Class – This week we made Christingles and masai necklaces we used crayons and pasta to decorate. In English we wrote the story of our character based on The Little Red Riding Hood.

Saturn Class - We did some maths this week with multiplications in tables. In topic we looked at maps and some physical geography. We made and coloured our own maps of Ancient Greece including the features we found.

Neptune Class - This week in Neptune class we have been doing fractions and adding them together. In English we have been learning about the book Water Horse and planning a non – chronological report. Today some of KS2 went to swimming lessons and had a lot of fun.

Government Advice

We have been asked to signpost parents to updated information about how to order a Covid-19 test and also includes the link for stay at home guidance, should this be necessary.
