Dear Parents and Carers

5<sup>th</sup> January 2023

We are now able to provide afterschool clubs for KS1 and KS2 children.

Following children's feedback, both clubs and tuition will be offered half termly rather than termly. This will allow children to experience a wider choice. Please note clubs externally provided by Prestige Sports should be booked directly using the online link <https://prestige-sports.class4kids.co.uk/term/131> Children in receipt of pupil premium should apply via the school as the fee will be paid through the pupil premium funding. This clubs will commence week beginning 9<sup>th</sup> January 2023.

Prestige Sports are also facilitating lunchtime club for KS2 children on a Monday and Thursday, you do not need to request a space for this but we ask that during the winter months you provide your child with a change of shoes, (no football studded boots).

Please find below a list of clubs organised for the Spring Term 1. If your child would like to attend a club this form will need to be completed and returned to the school office.

After school clubs run from 3.15pm-4.00pm, Tuition from 3.15pm-4.00pm

Clubs and tuition will start week commencing **9<sup>th</sup> January** and will run to the end of this half term.

Signing up for a club is a commitment and full attendance is expected unless your child is ill. Please discuss club selection with your child. As most clubs are oversubscribed, it is not acceptable to sign up for a club and then drop out before the term finishes. This helps to teach your child the importance of commitment and resilience.

**Please use one form per child and places will be allocated on a first come first served basis. Assume you have a place unless you hear otherwise, apart from cooking skills where there is a maximum number for safety reasons.**

Fees for Music Tuition are payable directly to the club provider. The full amount will be payable before the club starts. Any queries should be directed to the club provider.

Yours faithfully

Chery Wass  
Head Teacher
