Cooking Sessions

Each child in Year 1 to Year 6 will join a cooking session this term, Mrs Chinnery has put together an age appropriate programme, and the children have been split into groups of 6/7 who will work together in a safe well ventilated area. Thank you to all parents that have already contributed £3.00 towards the cooking sessions.

Diwali- Festival of Light

As part of our committed curriculum exploring faith and values from a diverse range of cultures, children had opportunities to explore the festival of Diwali on Thursday. The festival was considered from both a Hindu and Sikh perspective, During collective worship on Thursday the school watched the story of Diwali, and we able to reflect on hew the message in the story can be interpreted through the school vision statement. Cross curricular learning opportunities included rotational symmetry in designing rangoli patterns, diva light holders and art using coloured sand.

Remember Remember the 5th November

The School uses this notable day in history to discuss current democracy and the parliamentary system in Britain. As well as learning about the historical events children were able to reflect on what it means to live in a democratic society.

Remembrance Day 11th November

The children and staff at Cavendish school will have collective worship on Thursday 11th November on the green in front of the school. The worship will commence at approximately 10.45am. Parents are welcome to join us and although the event in outside and not on school grounds we encourage distancing between parents and the wearing of face coverings.
