#### **Cavendish School Reading Stars**

Continuing with our reading focus and promotion this year we are launching the "Reading Stars" incentive. Each pupil will receive recognition and a badge once they have achieved the required level, working through bronze, silver and ultimately gold. We would like the children to read as many books from our recommended reading lists as possible. The reading lists can be found on our website: [https://www.cavendish.suffolk.sch.uk/website/english\\_literacy/501093](https://www.cavendish.suffolk.sch.uk/website/english_literacy/501093)

To earn the stars the children will write a short review of the book they have read.

## Playground Time

Our midday supervisor team recently took part in a “lunchtime superhero” workshop. The workshop was received really positively and the children have also been able to contribute on how they playground is set up and used during the lunch hour. The outcome has enhanced the play experience and the valuable job the midday staff have is keeping the children engaged during this time. There have been zones created for different areas of play, games of the week, a quiet area, a performance area and games suggestions printed.

## Congratulations

We are delighted to announce that Mrs Stone has completed and been awarded her Certificate as ELSA, Emotional Literacy Support Assistant. This is a valuable provision for the children at Cavendish School. Thank you and well done Mrs Stone.
