Mars Class – On fresh air Friday we walked to the church, we saw pictures on the window, an eagle and we knelt on a cushion. - Ava

Jupiter Class – I enjoyed making a friendship hedgehog all about being kind to friends, and it was a nice story. - Ethan

Saturn Class – This week we made tea stained maps of a story called “The king who threw away his throne” I was Anglo-Saxon book that we are reading as a class. - Sienna

Neptune Class – This week we have been learning in science of question “can light travel” and it did. We used a torch, a mirror and a bit of card and we measured the angle to see if the law of reflection was really true. In maths we have been looking at place value of up to 10,000,000 and representing these is several different ways. In English we have been looking at expanded noun phrases and using them to put them in our piece of creative writing from letters of the lighthouse which is a book about WW2 children being evacuated. - Oliver
