### What have we learnt this week : Class News

**Mars:** *The rainbow fish has pretty scales, he did not want to share his pretty scales. The octopus said he did not want to share his shiny pretty scales. The octopus said he should give his scales away. He did and he was happy after that. The story taught us that we should share. - Eliza*

**Jupiter:** *This week in our music lesson we played Row Row Row Your Boat on the xylophones. We focused on making our notes the right length and reading our musical notes accurately.*

**Saturn:** *we have been learning about cm and metres in maths and kilo and kilograms. We've also been learning about biomes like the tundra and woodlands. In RE we listened to the call to pray and we've been learning about the positions that Muslims do when they pray. They pray in a mosque. Matthew.*

**Neptune:** *This wee in Neptune we have been really busy! We have started doing fairy tales, based on the book we have been reading. In topic we have been researching about the Mississippi and made leaflets and finding out many facts about it. In art we have been looking at Monet's Water lillies and recreating the picture, we have been learning about the differences and similarities of a picture and painting - Cara*

### Word Book Day – 2<sup>nd</sup> March 2023

To reinforce our focus on reading this year, we will be celebrating World Book Day on 2nd March. We are mindful of financial restraints families are facing at present and in a change to recent years, we are asking that parents do not send children in costumes, but to make a hat or mask representing their chosen character. The children will need to bring their chosen book into school on World Book Day. The day will be filled with activities to encourage the children to read and enjoy literacy. If you would like any resources for your hat or mask, then please contact the school office.

**WORLD BOOK DAY**  
2 MARCH 2023

This year our theme is: 'You Are a Reader'

Instead of dressing up in a costume, this year the children will be sharing their chosen book through a simple handmade **mask** or **hat** that links to a story, which they will wear with school uniform.  
Please bring your hat/mask and book into school on Thursday 2<sup>nd</sup> March 2023 to celebrate World Book Day.

Do you have a hat at home? You could reuse one that you already have to create your World Book Day version, or use a band of card to make your own headband. Be creative or simply show the characters from your chosen book.

Here are some ideas to inspire and guide you:

If you need a cardboard band to make a hat, or a paper plate for your mask, please ask in school.

## Saturn Class Trip to Ipswich Gurdwara and Mandir – 3<sup>rd</sup> March

To provide a deeper understanding in cultural diversity we are excited to be able to take year 3 and year 4 to visit a Sikh Gurdwara and Hindu Mandir. We hope that the children will enjoy the experience that will compliment their RE learning next term. Please be reminded that packed lunches on this day should be strictly vegetarian, including no meat flavoured crisps and skirts to be worn over the knee. A letter was sent home this week, if you have not received a letter please contact the school office.

## Neptune Class Activity Day Trip - 19<sup>th</sup> May 2023

Following a parent consultation it was decided that an activity day for Neptune class was preferred instead of a residential trip. We have been able to secure a date at the Thorpe Woodland activity centre. Parents should have received a letter this week outlining the preliminary timings and

payment terms, if you have not received a letter please contact the school office. More information will follow as we get closer to the date of the trip.
