Year 3 Forest School Pond Dipping

This week in Forest School Mrs Lewis and Y3 children were able to pond dip. Pond dipping is a fun and simple way for children to explore an aquatic habitat.

Pond Dipping by Tom

"Elsie and Colby were lucky to find a pond beetle, the beetle wasn't very big. 2 newts were found by another group, they were a brown and tan colour. Once we had looked at what we found it was put back in the pond. I really enjoyed this weeks pond dipping and looking forward to next week's forest school."

KS2 SAT's Week 9-13th May 2022

Year 6 students will be sitting their SATs next week. School has taken breakfast orders from all year 6 children. Please bring your child into school at 8.30am where breakfast will be served in Neptune class, we hope that this will prepare them for the morning ahead.

Mental Health Awareness Week 9-15th May 2022

The theme of the 2022 Mental Health Awareness Week is 'Loneliness'. Loneliness is affecting more and more of us in the UK and has had a huge impact on our physical and mental health during the pandemic.

Reducing loneliness is a major step towards creating a mentally healthy society, so the theme for this year's Mental Health Awareness Week is aimed at raising awareness of the impact of loneliness on our mental wellbeing and the practical steps we can take to address it.
