Cavendish Church of England Primary School Admission Arrangements

In our school our Christian vision shapes all we do.

Challenge, Creativity, Compassion: Create a pure heart in me – Psalm 51:10

Our School Vision Statement reflects this commitment as children and staff are taught to challenge inequality, prejudice, bullying and harm; to respond with compassion and sensitivity to individual need and to respect the rights of all individuals to be safe and nurtured within God's world.

We encourage children to respond creatively to internal and external challenges in life, with compassion for others, including consideration for creation and the planet itself. Thus we show how to live justly and with a pure heart, reflecting the teachings of Jesus and God's love within our school environment.

As such we are an inclusive educational setting and pride ourselves on our relationship with each family to ensure that every child's needs are met.

We are a small village school with a Christian ethos. We admit up to 15 children per year group and children are educated in mixed year classes of two year groups after Foundation Stage. We believe in working closely with families and local Pre-Schools and Nursery Settings to ensure a robust transition to school life. We are able to offer a flexible approach to full or part time entry in September of Foundation Stage to reflect your child's needs and each individual decision is reached following consultation with families wishes being paramount.

For families with summer born children who wish to explore options available regarding year of entry, the school welcomes face to face meetings to fully explore the child's needs and the school's provision.

We welcome visits and discussion with families to support the information gathering process to ensure families choose the best setting for their child. We prefer to meet families individually and appointments can be made by telephoning the school office or through email contact details available on the school website.

Should a year group be oversubscribed, we follow County Maintained Guidance for determining criteria and any subsequent appeals.

As a Suffolk County Council Maintained School, we follow County Admissions Procedures including Appeals. More information and the online application process is available at : www.suffolk.gov.uk/admissions
