Parent / Carer Consultations

We are pleased to be able to offer face to face consultations this term. In order to manage the amount of people onsite, different classes and year groups will be allocated different sessions. We have taken on board feedback and the need to cover childcare for these sessions, and so 10 minute sessions are being offered from 12.30pm – 5pm. Consultations will take place in the study. Your child's tray will be available in the entrance lobby beforehand.

Telephone appointments will be available for those unable to attend on site. Please still book your appointment and mark with **T** if you prefer this to be remotely.

World Book Day

Challenge, Creativity, Compassion: Create a pure heart in me – Psalm 51:10

To celebrate World Book Day and the year of the Queen's Platinum Jubilee, we had a writing competition across the school. Mars class independently wrote about their Royal costumes. Jupiter wrote their own story and KS2 children wrote a letter to the Queen recommending their favourite book. We had some fantastic writing and costumes across the school, here are the competition winners.

Mars: George and Rory
Jupiter: James and Malaak
Saturn: Phoebe and Darcy
Neptune: Ella and Dan

We are introducing a weekly book review and reading recommendation. We hope you enjoy these reviews and will be helpful in encouraging your children to read at home.

Reading recommendation by Maddison (Saturn) - NARNIA

My book is called Narnia, it is about Peter, Susan, Edmund and Lucy Pevensie that are sent away from London to escape the Air raids. Mrs Pevensie waves goodbye to the children. During a game of hide and seek Lucy discovers a magical wardrobe at the professor's house. Mr Tumnus the faun is surprised to meet Lucy in Narnia. Peter and Susan do not believe Lucy's tales about Narnia, but the professor makes them think twice. There is much more but you will have to find out.

Year 6 Maths Workshop - Tuesday 22nd March 2022 2pm-3pm.

Parents of year 6 students are invited to join a Maths workshop on 22nd March from 2pm. Miss Halpin would like to explain to parents while with their children the different formal methods in Maths. This will be an excellent opportunity for you to work with your child in the classroom to see how they are taught current methods; this will aid you in supporting your child at home. Mrs Halpin looks forward to seeing you.
