

Challenge, Creativity, Compassion: Create a pure heart in me – Psalm 51:10

Prayer of the Week – by Luca

We Thank you for food, water and a place to sleep.

We hope that food can be given to help
all those in need. Help those in need to live a good life.

AMEN

What have we learnt this week: Class News

Mars: *We have made lulav to celebrate the Jewish Harvest Festival called Sukot.*

Jupiter: *We cut out lamps in art and used gold foil and card, we did this because Florence Nightingale was called Lady of the Lamp. – Jessica, Ava and George*

Saturn: *In English we got to be really creative with story writing and maths was good too because we learnt about column method addition. Music was the best because we got to play lots of different instruments. They were percussion instruments, which are instruments that you shake and bangs. It was noisy but really good. - Finley*

Neptune: *On Monday we made a William Morris biography, he was a wallpaper designer in the Victorian times. In English we are learning about Oliver Twist, we are watching the film to compare with the book, I prefer the book. - Sienna*

New Library Books – Emma and Dan, Neptune Class

We had a librarian visit the school and give some suggestions of new stock. This was because in our whole school reading survey lots of people said they liked reading non fiction and we wanted some more books.

This week year 5 and 6 art councilors helped out with the new books, we have been stamping and sticking a barcode on. They have been doing this every lunchtime and chose some extra helpers. We give **thanks to the PTFA** for getting all the new books for our library, we know they cost over £1000!

Dan said ***“These are really cool books, there is loads of good subjects and graphic reads – I really want to read Hilda and the Ghost Ship”***

Cavendish Key Spellings – Beau, Myla, Sam, Neptune Class

In Cavendish Primary every class from year 1 to year 6 has the same 30 key spellings, every child is expected to learn them off by heart. Year 1 are learning them in their phonics, year 2,3,4 learn them each week and years 5 and 6 have them up in a display and use them in their learning if they need to check.
