Message from Headteacher:

What a wonderful week it has been in school!

Our Wrens class have thoroughly enjoyed their Diwali learning, exploring this special festival and reflecting on how we can respect and celebrate the beliefs and traditions of others. Over in Robins, the children have been busy creating some beautiful artwork, which they'll be sharing with you at our Harvest Festival — always a special time in the Church of England calendar to give thanks and celebrate together as a community. Owls have also been working hard to refine their trombone skills every Tuesday afternoon, filling the school with music and joy.

A huge thank you to Archie's dad, Dom, for doing a brilliant job re-staining the planters in our playground. What a difference it has made — we are so grateful for the gift of time and service to our school.

We've also put out an advert for a Wraparound Care Assistant. If this is something you may be interested in, please contact the school office before

the closing date of Wednesday 22nd October for more information.

It's hard to believe how quickly this half term has flown by. A quick reminder that next Friday, 24th October, is a Non-Pupil Day.

Finally, our PTFA is looking for committee members to support at future events. The team has had a new lease of life and are planning some exciting activities to bring our school community together — keep your eyes peeled for updates.

Wishing you all a peaceful and restful weekend.

Staff Spotlight:

This week's Staff Spotlight shines on our Headteacher, Mrs. Goulding. Since joining us, she has brought with her a wealth of

knowledge and an abundance of positivity.

Thank you for the unwavering support and enthusiasm you've shared with both the school and the wider community.

On behalf of all the staff, we truly appreciate the long hours and dedication you put in behind the scenes to help make our school a success.
