## 20<sup>th</sup> June 2025

### Message from Headteacher:

What a wonderful week it has been—and what a hot weekend! One of the real highlights was the fantastic art workshop led by the incredibly talented Phillippa Gunn.

The children thoroughly enjoyed expressing their creativity, and we're excited to soon share a special new display showcasing their beautiful work—do keep an eye out!

The next few weeks promise to be very busy and full of memorable experiences. Upcoming events include our much-anticipated zoo trip, a fun-filled school swimming afternoon, and further transition activities to help welcome our new starters who will be joining us in September.

We're also pleased to share that our school website has received a significant update—huge thanks to our wonderful admin clerk, Mrs Martin, for all her hard work. The new site is already proving to be a more user-friendly and informative resource for our families.

In addition, term dates and allocated professional development (PD) days for the next academic year are now available on the website, so you can begin to plan ahead with confidence.

The summer term is flying by, and it's been heartening to see just how much has already been achieved in such a short time. The enthusiasm and commitment of our staff are reflected in the wide range of experiences and opportunities we are providing for our pupils, and I am so grateful for the sense of joy, purpose, and community that continues to flourish within our school.

### Crucial Crew Visit back in May

The organisers of Crucial Crew were extremely complimentary of the Year 6 Children, and in particular recognised Thomas O'Shea as a Super Star! A big well done to all for representing the school in such a positive manner.

### Fun in the Sun!

It was lovely to see some of the children working collaboratively last week on the playground! They demonstrated great team work and were very proud of their final structure.

### Key dates for your diary:
